INTERIM FINANCIAL REPORT FOR THE HALF-YEAR ENDED 31 December 2023

Directors' Report

The Directors of Global Masters Fund Limited (the "Company") submit herewith their report together with the Interim Financial Report for the half-year ended 31 December 2023 and the Auditor's Independent Review Report thereon.

DIRECTORS

The following persons were Directors of the Company since 30 June 2023 and up to the date of this report, unless stated otherwise.

- Mr Murray d'Almeida (Chairman)
- Mrs Angela Obree
- Mr Jason Pohl

PRINCIPAL ACTIVITY

The principal activity of the Company is holding an investment in Berkshire Hathaway Inc on NYSE. In addition to Berkshire Hathaway, the Company has invested in a diversified global portfolio of investments.

MARKET COMMENTARY

Over the last twelve months, the investment climate has been marked by significant events and trends shaping investments and the general economic outlook. The ongoing geopolitical tensions, including the escalated conflict between Israel and Hamas have contributed to a climate of political uncertainty. These events have had far-reaching economic impacts, further complicating the investment environment.

Amidst these challenges, we've seen global inflationary pressures prompt aggressive interest rate responses from central banks over the past 24 months. More recently, the rhetoric from central banks has softened, prompting major bank economists in Australia forecasting to see rates reducing by the end of 2024. If interest rates do reduce this will certainly have a positive impact on areas of the economy feeling the impact of cost-of-living pressures.

Over the last 12 months one driver of positive market sentiment has been the widespread adoption of generative artificial intelligence technology. The use cases and future possibilities are certain to transform industries. While at present, some of the applications appear to be superficial, it is expected that over time the hype-cycle will turn into a meaningful industry supporting businesses across the board.

REVIEW OF OPERATIONS

Investment performance for the six months to December 2023 was positive 4.7%, compared to the MSCI Index in AUD increase of 4.5%. Berkshire Hathaway, GFL's main investment, performed behind the index only increasing by 2.5% during the period. The price of BRK A shares in USD increased by 4.8% over the last 6 months however the Australian dollar strengthened against the USD by 2.2%. GFL's investment in the ECP Global Growth Fund (which commenced in March 2023) increased in value by 11.3% since June 2023 and was the main contributor to the year-to-date performance.

Net Profit after Tax decreased by \$398,521 compared to the prior period due to the decreased performance from the UK Portfolio and income not received from the MSCI Fund which was sold in favour of the ECP Global Growth Fund. Other Comprehensive Income decreased on the prior year by \$1,316,918 as the gains made particularly in Berkshire Hathaway and the ECP Global Growth fund while positive were not as large as the prior year when Berkshire performed extremely well.

NOTE 3 FAIR VALUE MEASUREMENTS

The following assets and liabilities are recognised and measured at fair value on a recurring basis:

- Financial Assets at fair value through Other Comprehensive Income (FVTOCI).
- Financial Assets at fair value through Profit or Loss (FVTPL).

In accordance with AASB13 Fair Value Measurement all assets and liabilities measured at fair value are assigned to a level in the fair value hierarchy as follows:

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2 Inputs other than quoted prices included with level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices), and
- Level 3 Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The following table sets out the Company's assets and liabilities that are measured and recognised at fair value in the financial statements:

NOTE 3 FAIR VALUE MEASUREMENTS (continued)

The Company's policy is to recognise transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused the transfer occurred.

Due to their short-term nature, the carrying amount of trade receivables and payables are assumed to approximate their fair values.

The carrying amount of current trade and other payables are assumed to approximate their fair values because the impact of discounting is not significant.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF GLOBAL MASTERS FUND LIMITED

Conclusion

We have reviewed the half-year financial report of Global Masters Fund Limited (the company), which comprises the Condensed Statement of Financial Position as at 31 December 2023, the Condensed Statement of Profit or Loss and Other Comprehensive Income, the Condensed Statement of Changes in Equity and the Condensed Statement of Cash Flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information and the Directors' Declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Global Masters Fund Limited does not comply with the Corporations Act 2001, including:

- a) giving a true and fair view of Global Masters Fund Limited's financial position as at 31 December 2023 and of its performance for the half-year ended on that date; and
- b) complying with Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations 2001.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the corporations Act 2001 which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Responsibility of the Directors for the Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporations Act 2001 including giving a true and fair view of the company's financial position as at 31 December 2023 and its performance for the half-year ended on that date and complying with Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations 2001.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and, consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
